

## You are God's Precious Child

This message came as I sat quietly at the Grotto in Emittsburg

We are God's precious children; there is no need to do anything to earn his favor or love. He sees all of his children as one of the same. Jesus walked this earth to show us that we are all unique and special and that is how we were meant to be.

Know that God stands with you every moment of every day wanting only the best for his child. The lessons we experience are planned as part of our growth and evolvment. When we do not see and feel his love, it is because we have not remained connected. HE IS ALWAYS THERE! It is us that feels unworthy or walks away. "When there is darkness, there is an absence of light." That is the way we feel when we become disconnected. Ask God to shine his light on you today.

He will always see you as his precious child. As I walk the Grotto today there are many children here with their innocence, laughter and smiles. There is a sense of wonderment as I look at each of them; in my heart I know that is how God looks at each of us. They are growing and learning through each experience they encounter. No one can elude the pain and suffering, not even Jesus who walked before us. But we can feel the peace during times of deep pain and sorrow when we stay connected to our source with a knowing that he will show you the way and shine his light with each step you take.
