

The most precious gift...

What are your thoughts when you wake each morning?

Do you grumble and complain?

Or

Do you welcome the new day you are about to receive?

The gift of life is the most precious gift of all. Each day is like unwrapping a gift full of unexpected surprises. Every moment is meant to bring us closer to our purpose and closer to the awareness that God has the perfect plan. We just need to listen and follow the small voice from within.

Start each morning with the following 7 steps before your feet hit the floor and see how it changes your life:

~Take in a Deep Breathe~

~Put On a Smile~

~Thank God for Your Day~

~Ask God to Bless You and Your Life~

~Ask God to Show You How You May Be of Service~

~Ask God to Walk With You Throughout Your Day~

~Trust God to Do the Rest~

You without a doubt will always be exactly where you are supposed to be. Accept each day as a gift from God because it is. Stay with and flow with each moment as it is revealed and you will find "PEACE" regardless of your circumstances. God promises to never leave you, nor forsake you and this is where we find grace and the comfort of his unconditional love.

May you discover God's peace and never lose sight of His love, remembering always to give thanks for the precious gift of life.
